SPECIFICATIONS

- Belt Length Adjusts From 36" to 42": With a total length of 46" measuring from the far edge of the buckle to the tip of the belt, the length from the buckle to the first hole is about 36", and the last hole is about 42", with 6 adjustment holes, each hole spacing is about 1.26"
- 3 Pockets of Different Sizes: Tool belt bag allows for easy organization of your different tools and can hold ratchet clippers, pruning shears, gloves, scissors, small sickle, trowel, seeds, and more, pockets are deep enough to hold tools so they would not fall out when bending over
- Leather Tool Belt for Florists and Gardeners: This tool belt bag can be used not only by gardeners or florists but also works well for carpenters, electricians, construction workers, etc.
- Open Top Tool belt: Garden tool belt can help you easily find your garden working tools in garden storage pockets quickly, to keep your tools organized and improve your work efficiency
- Enhanced Design: There are metal rivets at stress points for added strength and a riveted ring for hanging your keys
